

**Memorandum of Understanding**  
**Between**  
**SRM Institute of Science and Technology**  
**and**

**Universitas Catur Insan Cendekia, Indonesia**

**1. Preamble**

In accordance with the mutual desire to foster cooperation between SRM Institute of Science and Technology, Kattankulathur, India and Universitas Catur Insan Cendekia, Indonesia in order to explore the potential for collaboration in the areas set out below, the two institutes have signed the following Memorandum of Understanding.

**2. Areas for potential collaboration**

Based on the principles of mutual benefit, both institutes intend to explore opportunities for:

- (a) Movement of students between two institutes;
- (b) Movement of faculty, scholars and staff between two institutes;
- (c) Development of joint curriculum, including dual degree programmes;
- (d) Research collaboration in the fields with mutual interest between research staff, departments, and schools of both institutes;
- (e) Exchange and sharing of teaching and academic materials, publications, reference and other pertinent information;
- (f) All of the above with special reference to the cultural, economic, ethical, political and social implications of contemporary technology in the global context.

**3. Implementation of Memorandum**

Both institutes agree that specific projects and activities shall be developed for implementation of this Memorandum based on discussions and negotiations between two institutes. Agreements or contracts shall be signed separately to carry out these projects and activities.

Both institutes agree that all financial arrangements shall be determined on the basis of specific projects and activities.

This Memorandum of understanding shall be in force for a period of five years from the date of its enactment. This Memorandum of Understanding shall become effective upon the date of signature by the representatives of the two institutes, and shall be renewed by mutual consent.

A handwritten signature in blue ink, located in the bottom right corner of the page.

If this MOU is executed more than one language, the English version shall control in the event of inconsistency in meaning or interpretation of terms.
